

### Directions for Viewing LiveScribe Videos

#### Option #1

Download the LiveScribe App.

Open the pdf in the App.

#### Option #2

Open the LiveScribe pdf file.

Save the LiveScribe pdf file.

Click the link on top for the LiveScribe Player

Drag the pdf file into the box.

Click the play button.

(FireFox tends to work better than Chrome. If the writing lags behind the audio, then click on the appropriate writing and it will catch up to the audio.)
